

**SEQL** is an integrated environmental initiative for the 15-county metropolitan Charlotte region in North and South Carolina.

**SEQL** involves elected officials, local government staffs, business and industry groups, economic development groups and environmental stakeholder groups working together toward viable solutions to regional growth.

**SEQL** is regional in its vision and influence, but local in application.

**SEQL** promotes implementation of specific Action Items on Air Quality, Sustainable Growth and Water Resources and consideration of environmental impacts in decision-making at local and regional levels.

**SEQL** is funded by a grant from the Environmental Protection Agency (EPA) to Centralina Council of Governments in cooperation with Catawba Regional Council of Governments.
